

# Save time and a trip. Consult with an Aurora provider online.

Request an electronic visit through myAdvocateAurora.

Beginning January 31, 2019, Marinette County employees and family members enrolled in any of Marinette County's health insurance plans are eligible for e-visit services with an Aurora provider at NO COST. Registration is required prior to service. **Your insurance ID card is required for registration.** To register, please call **715-732-8077** Monday-Friday between the hours of 7:30 a.m. and 5 p.m.

## After you register, here's how to get started:

1  
Log on to  
myAdvocateAurora.

2  
Choose  
E-Visits under the  
messaging tab.

3  
Fill out a  
simple questionnaire  
on your medical  
condition.

4  
Your doctor will  
message you  
your diagnosis and  
treatment plan.

## It's that easy.

E-Visits help you receive care for medical problems, such as sudden pain and minor illnesses, that can safely be treated without lab or a physical exam. We provide expert care recommendations, including a prescription if necessary.
